# Newfane/Olcott: A World Class Fishing Destination

By Frank  
Campbell

The Town of Newfane, with one of the best one-two punches in Olcott and Burt Dam/Eighteen-mile Creek on the lake, has arguably some of the best freshwater fishing on the planet! If you don't believe us, just look at the fact that Olcott was voted as the Ultimate Fishing Town in 2012 by the World Fishing Network. Whether it's salmon, trout, bass, pike or perch, there's some type of fishing activity that the whole family can enjoy in Newfane and Olcott! And you can catch fish year-round in this agriculturally rich, historically blessed community. Here are some excellent examples for arguing that point:

## 2026 Niagara County Pro-Am Tourney

The Lake Ontario Skip Hartman Pro-Am Salmon and Trout Team Tournament, celebrating its 41st year of competition, is the grandfather of fishing contests for Lake Ontario. In 2026 the Pro-Am will be held June 5 & 6 out of the ports of Olcott and Wilson. In 2025 a total of 49 teams competed with 22 of those being entered in the Pro Division. Team West End edged out Thrillseeker and Yankee Troller for the title. The West end team was led by Captain Taz Morrison and totaled 247.84 points with a scoring system based on 10 points per fish and a point per pound. West End also produced the biggest fish of the event with a 29.49-pound king salmon.

## Reelin' for a Cure

When it comes to Lake Ontario fishing tournaments out of the Town of Newfane Marina, there may be none more important than Reelin' For A Cure founded ten years ago by Stephanie Pieroleoni of Newfane. What makes the event so unique is that it is a fishing tournament for teams made up of all woman and they compete for prize money all while raising funds for various cancer organizations that benefit woman. In 2025 there were 39 teams that participated and the event looks to grow in 2026 so make your calendars for August

21. A great tournament for an even better cause for sure!!! For information on tournament please visit their Facebook page at Reelin' for a Cure.

## No boat, No Problem

Burt dam is known throughout the fishing world as one of the best places to target trout and salmon as they return to the 18-mile creek to spawn and feed. Using a variety of methods, anglers pursue king salmon, coho salmon, brown trout, and steelhead starting in the fall. Brown trout and steelhead will remain through the winter months and into the spring. Best spot to access the Burt Dam area is Fisherman's Park on Route 78 where you will find ample parking and even a ride down to the creek (and back up) after a day of casting a line.

## Charter Opportunities

Olcott Harbor is home to a world class charter fleet. The charter vessels can be a short cut to learning the Lake Ontario fishery or a relaxing way to enjoy all the sportfishing options the area has to offer. Charter trips provide the needed equipment and the expertise to land a true fish of a lifetime.

Looking to lose some of the crowd? Try the recently improved Olcott piers or even the Town of Newfane Marina itself as you can cast and try to intercept the salmonids on their way upstream to the Burt Dam. One of the best things about the pier and harbor areas is the fishing is good through all the seasons with warm or cool water species such as pike, bass, and perch available when looking to wet a line during the warmer months. If you ever want to find out what's biting, stop into any of the local tackle shops, call the Niagara County Fishing Hotline at 716-282-8992 Ext. 4, or visit the tourism office website at [www.niagarafallsusa.com](http://www.niagarafallsusa.com) and look under the outdoors page.

# Ye Olde Log Cabin Museum

Ye Olde Log Cabin is a replica built by the Town of Newfane of the original 1888 Log Cabin in the TenBrooks Grove, now known as Krull Park. The original log cabin was dedicated in 1888 by the Niagara County Pioneer Association as a location for safekeeping of relics that had been donated to the Pioneer Association. Ye Olde Log Cabin was the location for the annual Pioneer Picnic and also served as the backdrop for a speech given by then NYS Governor Teddy Roosevelt in 1899.

The Town of Newfane rebuilt the Cabin with a Niagara River Greenway grant and also private fundraising and donations in 2016. The new Cabin serves as a free historical museum housing many original relics as well as many other historical Olcott Beach and pioneer items. The museum is operated by volunteers and is open on weekends in June, July, August, and September as well as the first Saturday in October for the Halloween Boonanza and the first Sunday in December for Santa's visit!

**6101 E. Main St in Krull Park Olcott Beach, NY 14126**
