Remembering September 11, 2001 — 25 Years Later

The Newfane American Legion, in partnership with the Town of Newfane, has erected a memorial within Town Hall honoring the lives lost and the countless heroes who responded during the terrorist attacks of September 11, 2001.

We invite members of our community to stop by Town Hall and take a moment to view this moving and meaningful tribute, which will be up the rest of the month.

Twenty-five years have passed, but the memories of that day remain with us. Let us pause to remember those we lost, honor the bravery and sacrifice of so many, and reflect on the strength and unity that followed.

Twenty-five years later, we remember. We honor. We will never forget.
