Seeking Community Leaders: Help Shape the Future of Newfane!

The Town of Newfane is excited to announce a major initiative to modernize our community's roadmap. Thanks to the hard work of grant writer Sarah Gelnett of J. O'Connell and Associates, the Town has been awarded an **\$84,000 grant from New York State** to update our Town-wide Comprehensive Plan. Our current plan, originally designed in 1999, serves as the foundation for all local growth. This update is a vital step toward ensuring thoughtful infrastructure planning, economic resilience, and long-term sustainability for our residents.

We are currently forming a "Comprehensive Plan Steering Committee" and we want YOU to be a part of it.

What is the Steering Committee?

The committee will consist of 8–12 individuals representing a wide cross-section of Newfane residents. Your role will be to provide a framework for future development across several key areas:

- Agriculture & Residential Life**
- Tourism & Commercial Development**
- Economic Growth & Infrastructure**

Committee Commitment:

- Duration:** Up to 2 years.
- Meetings:** Approximately 6–10 meetings
- Time:** Meetings typically start around 6:00 PM or 7:00 PM to accommodate working schedules. The dates have yet to be decided

Who Should Apply?

We are looking for collaborative individuals who can work well with others and are passionate about Newfane's future. Whether you are a business owner, a farmer, a parent, or a long-time resident, your perspective is valuable.

How to Apply:

If you are interested in serving, please contact **Town Supervisor John Syracuse** via email at supervisor@townofnewfanenys.gov. Please include a brief summary of why you would like to join and any background that highlights your ability to work effectively in a team environment.
